

Dog Policy

We love dogs - but not everyone does

If you are here with your canine friend please can you respect the following:

- Tables and Chairs are for people only
- Stay within the floor space of your table
 - Dogs to remain on a lead
 - 3 barks and you are out
- People only in the back room

The Joinery coffee shop expects all of our customers to be respectful of the diverse needs and wishes of other patrons. We aim to meet these as best as we can in the small space that we have, and in a way that is authentic to our values.

The Joinery coffee shop supports our staff to request a guest to move to another table, take a dog outside, or in extreme circumstances to ask a guest to leave where their, or the behaviour of their dog is impacting negatively on other visitors.
